

## **BOARD OF MANAGEMENT**

Biala Peninsula is managed by a Board of Management (BOM), who are the employer & the licensee of the service.

This Committee is responsible for the licensee requirements (Biala Peninsula is a licensed children's service under the Children's Services Regulations) and the financial management at Biala Peninsula. Both parent and community representatives comprise the Board membership with the Manager as part of the BOM and with a rotating representative position for a Biala staff member (ex-officio). The BOM meet monthly where all correspondence is tabled, Manager's report & a treasurer's report are presented, and other sub-committee reports are tabled.

Parents and families are encouraged to be involved at this level so that Biala Peninsula reflects what all families want from their Early Childhood Intervention Program. If you wish to participate please contact Manager (Marlene Fox) for further information. The Biala Peninsula AGM is in September each year and all families are invited to attend this event.

The Manager is available at any time by phone or by appointment to discuss any aspect of your participation at Biala Peninsula.
