

## Where is Biala Peninsula?

Biala programs are available in:

- Mornington
- Hastings
- Rosebud
- Frankston
- Mornington East

## How to help Biala Peninsula

Biala Peninsula is funded by the Federal and State governments, and supported by local councils. To grow and develop our services for children and families, additional funds are sought from philanthropic and local community groups, businesses, service clubs and individuals.

## How to attend Biala Peninsula

Attendance at Biala Peninsula is by referral through Central Intake – Department of Education and Early Childhood Development.

An Early Start for Special Kids

## WELCOME TO BIALA PENINSULA!

Biala Peninsula helps special young children to develop skills to confidently join in at home and in the community. Our programs help children (aged 0-6 yrs) with developmental and learning difficulties or disability and their families.

**‘Every child learns at their own pace’**

### Learning occurs through:

- Movement and play
- Sensory, music and language
- One-on-one and small groups
- A stimulating and positive environment

### Innovative Programs

Biala Peninsula offers programs at its main Mornington venue, in the home, at school, childcare, family day care or kindergarten and in the community.

### Programs include:

- Ready, Set, Go!
- Babies on the Move
- Sing, Play and Learn
- SLIP: Sensory Language Integration Program
- Play Partners
- Out and About
- Inclusive kindergarten programs
- Learning Through Play

“The positive and encouraging manner of Biala’s staff goes a long way with helping my child...”

### Support for Families

Biala Peninsula recognises the importance of working with both the child and their family.

### We offer:

- Parent/carer education
- Opportunities to meet other families
- Specialised equipment and resources
- Individualised plans and goals
- Information about funding and support

### Our team includes qualified and experienced specialists in fields such as:

- Early childhood education
- Music therapy
- Occupational therapy
- Physiotherapy
- Psychology
- Speech pathology
